## DO YOU WANT TO BE YOUNGER?

We always want to look good and fresh for our loved ones and make sure they always brag about how great we are when they're with their friends. However, as the years go by wrinkles and age become clearer and clearer, and keeping fit becomes almost impossible. This is never good. We know you want to look younger. However, many people find

plastic surgery as the wrong way to attain it. Well the Development Summer Camp will give advice on: how you should dress to seem younger, what kind of colors suit you, which ones don't and what clothes make you look slimmer. We invite you to join us for your better future.
